

Certificate of Approval

This is to certify that the Management System of:

Building Product Design Ltd

2 Brooklands Road, Sale, M33 3SS, United Kingdom

has been approved by Lloyd's Register to the following standards:

ISO 9001:2015, ISO 14001:2015, ISO 45001:2018

Approval number(s): ISO 9001 – 0079080, ISO 14001 – 0079081, ISO 45001 – 0079082

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Design and manufacture of general ventilation and specialist building products, cavity trays and rooflights for domestic and commercial buildings. Manufacture of aluminium and plastic products for use in the building industry to include cavity trays, loft access products, roof, soffit and wall ventilators and rooflights. Design and manufacture of natural ventilation products and systems for domestic and commercial buildings. Aluminium and plastic products to include window ventilators, air inlets and extracts, ducting and roof terminals. Lamination, printing conversion and tape applications of technical construction membranes for walls, floors and roofs. Manufacture and distribution of Kingfisher louvres, solar shading, framed weather louvres, ventilation louvres, cover grilles, acoustic grilles and louvres. Metal fabrication and welding, punching, folding, light engineering, vacuum formed plastic components, spray painting to metals and plastics, powder coating of components. Printing and conversion of rolled goods including customer supplied material. Manufacture, supply and procurement of specialist building products and bespoke parts to customers own specification.
